Attendance Policy

ABSENCES DURING FRESHMAN PERIOD

Students are limited to how much time they can miss during the freshman portion of their course. Students are allowed no more than 12 hours absent.

REGULAR ATTENDANCE

Absences and Tardiness

Absences: Regular attendance will be always required.

Tardiness: Students tardy for theory will not be able to attend theory and must come back after the theory hour. Students can clock in after theory.

Class Cuts: No credit is given when daily timecards are not completed. Students must be checked in on the time clock and checked out before leaving the building. Additionally, any student leaving early must notify a STAFF MEMBER prior to leaving.

Students are allotted 10% of their course in excused absences which has already been calculated into the student's course completion date. No other absences are excused except for a leave of absence. Early departures, class cuts, tardiness etc., for any portion of a class will be counted as an unexcused absence.

OVERTIME

If a student does not complete the course by the scheduled graduation date listed on their contract, the school will charge an additional \$15.00 per hour according to their contract schedule until completion. A grace period of 10% has been added to the student's completion date. It is not realistic to expect to receive an education for free. Payment for hours attended past the scheduled graduation date will be made prior to being given certificate of completion. Absences beyond 10% of the course hours incur overtime charges. Students must maintain a 70% overall grade and attendance rate to maintain satisfactory progress.

NO CALL-NO SHOW POLICY

Any student who has not attended school for 14 days without notification of a leave of absence will be dropped on the 15th day.

Satisfactory Academic Progress Policy

EVALUATION PERIODS

Students are evaluated for Satisfactory Academic Progress as follows: Periods

Barber-

0-299 Hours

300-599 Hours

600-900 Hours

Barber Crossover-

0-200 Hours

Cosmetology-

0-299 Hours

300-599 Hours

600-899 Hours

900-1200 Hours

Evaluations are based on hours attended.

The Satisfactory Academic Progress Policy applies to every student enrolled (part-time/full-time) in any program. The Satisfactory Academic Progress Policy is provided to every student prior to enrollment. Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course. Students have access to satisfactory academic progress reports once they are completed.

ATTENDANCE PROGRESS EVALUATIONS

Students are required to attend a minimum of 70% of the hours possible based on the applicable attendance schedule to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements for attendance. Students who meet the minimum attendance requirement will be considered making satisfactory academic progress until the next scheduled evaluation. The attendance percentage is determined by dividing the total hours accrued by the total number of hours attempted by the student at that time. At the end of each evaluation period, the school will determine if the student has maintained at least 70% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

| COURSE | MAXIMUM TIME ALLOWED HOURS | WEEKS SCHEDULED |
|---|-----------------------------------|------------------------|
| Barber (Full time, 30 hrs/wk) - 900 Hours | 1350 hours | 30 Weeks |
| Barber (Part time, 20 hrs/wk) - 900 Hours | 1350 hours | 45 Weeks |
| Cosmetology (30 hrs/wk) - 1200 Hours | 1800 hours | 40 Weeks |
| Barber Crossover (30 hrs/wk) – 200 Hours | 300 hours | 7 Weeks |

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 67% of the scheduled contracted hours. Students who have not completed the course within the maximum timeframe may continue as a student at the institution on a cash pay basis.

Academic Progress Evaluations

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted, and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written cumulative grade average of 70% prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

| | |
|----------|----------------|
| 90 - 100 | EXCELLENT |
| 80 – 89 | VERY GOOD |
| 70-79 | SATISFACTORY |
| 0-69 | UNSATISFACTORY |

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hardcopy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation. If the student has prevailed upon an appeal and if applicable, students may be deemed ineligible to receive funds. The institute may elect to place the student on satisfactory academic progress probation without first placing the student on warning.

PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who can meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing on any potential impact on their financial aid eligibility and of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to continue program, receive Title IV funding and may be terminated. Students will be notified of any evaluation impacts to the students Title IV, VA, or any other funding if applicable.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress and aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. The Institute does not offer course incompletes, repetitions, or non-credit remedial coursework; therefore, these items have no impact on Satisfactory Academic Progress.

APPEAL PROCEDURE

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within (5) calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed, and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable. If the student does not prevail upon appeal, or chooses not to appeal, the student may continue on a cash-pay basis.

NONCREDIT, REMEDIAL COURSES, REPETITIONS

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

TRANSFER HOURS

The acceptance of any and/or all the transferring hours and services is at the discretion of Genesis Barbering Institute. Transfers students must provide proper documentation of hours, services and tests with a grade average of 70% (c) or higher. No more than 75% of the program credits will be transferred to Genesis Barber Institute from another Institution. For course credit to be considered the student must request that the institution send official transcripts directly to Genesis Barber Institute. It is the responsibility of the student to verify if another institution accepts transfer credits and is at the discretion of the accepting institution. Credit for work experience is not offered.

LEAVE OF ABSENCE POLICY

Genesis Barber Institute a Leave of Absence (LOA) is a temporary interruption in training approved by the school. LOA requests must be submitted in writing, signed and dated by the student, and include the reason for the request. Requests must be submitted before the leave begins unless an emergency prevents advance notice; in that case, the school may approve the LOA and collect documentation later. A student may receive one or more LOAs, but the total time may not exceed 180 calendar days in any 12-month period. No additional tuition or charges will be assessed during an approved LOA. While on an approved LOA, a student is not considered withdrawn, and no refund calculation is required. The student's contract period will be extended by the same number of days taken in the LOA, ensuring no loss of contracted hours. Changes to the contract will be documented by either initials on the enrollment agreement or a signed addendum. A student who fails to return from an LOA on the scheduled return date, or who takes an unapproved LOA, will be withdrawn from the program. In this case, the last date of attendance will be used as the withdrawal date for refund determination. Students who notify the school that they will not return from an LOA will be withdrawn as of the earlier of the LOA end date or the date they notify the school.

RE-ENTRY PROCEDURE

Students who re-enter will re-enter under the same Satisfactory Academic Progress status as in place at the time the individual left, regardless of how much time has elapsed.

Veteran's Policies

VERTERAN'S ATTENDANCE POLICY

Students are allotted 10% of their course in excused absences which has already been calculated into the student's course completion date. No other absences are excused except for a leave of absence. Early departures, class cuts, tardiness etc., for any portion of a class will be counted as an unexcused absence. Students exceeding 20% in unexcused absences in academic term will be terminated from their VA benefits for unsatisfactory attendance. The student's attendance record will be retained in the veteran's file for USDVA and SAA audit purposes.

VETERAN'S REFUND POLICY AND APPLICATION FEE

The refund of the unused portion of tuition, fees, and other charges for veterans or eligible persons who fail to enter a course or withdraw or discontinue prior to completion will be made for all amounts paid which exceed the approximate pro-rata portion of the total charges that the length of the completed portion of the course bears to the total length of the course. The proration will be determined on the ration of the number of days or hours of instructions completed by the student to the total number of instructional days or hours in the course. The school

may retain a registration fee of no more than \$10, a breakage fee of no more than the exact amount of breakage, and fee for consumable supplies for no more than the amount of supplies actually consumed. – 38 CFR 21.4255

STANDARDS FOR ACADEMIC PROGRESS FOR VA STUDENTS

Students receiving VA educational benefits must maintain a minimum Cumulative Grade Point Average (CGPA) of 2.0 or 70% each evaluation period (term, quarter, semester, evaluation period, etc.) A VA student whose CGPA falls below 2.0 or 70% at the end of any evaluation period (term, quarter, semester, evaluation period, etc.) will be placed on academic probation for a maximum of two consecutive terms of enrollment. If the VA student's CGPA is still below 2.0 or 70% at the end of the second consecutive term of probation, the student's VA educational benefits will be terminated. A VA student terminated from VA educational benefits due to unsatisfactory progress may petition the school to be recertified after attaining a CGPA of 2.0 or 70%.

VETERAN CREDIT FOR PREVIOUS EDUCATION

Veteran students must report all education and training and submit all requested documents for review and evaluation so that a final determination can be made within three (3) days of the student's program start date. Notification of this evaluation will be placed in the student's VA file. The school will evaluate and grant credit, if appropriate, with the training time shortened, the tuition reduced proportionately, and the VA and student notified. Any credit awarded will be posted to the student's academic record as Transfer Credit. The Director has final decision on acceptance of previous training or experience

VETERAN SATISFACTORY PROGRESS

Veterans are subject to the standards for Satisfactory Academic Progress, listed in this catalog under, "Satisfactory Academic & Attendance Policy." Early departures, class cuts, tardiness, etc., for any portion of a class period will be counted as one absence. Students exceeding 20% total absences in a calendar month will be terminated from their VA benefits for unsatisfactory attendance. To show that the cause of unsatisfactory attendance has been removed, students must show good attendance (as defined) for one calendar month after being terminated for unsatisfactory attendance. After such time, the student may be recertified for VA education benefits. The student's attendance record will be retained in the veteran's file for USDVA and SAA audit purposes.
